

Dear Colleagues!

We kindly invite you to take a participation in the international conference 20<sup>th</sup> Ružička Days "Today Science – Tomorrow Industry" that traditionally will be held in Vukovar, the native town of famous Croatian scientist and Nobel laureate professor Lavoslav Ružička.

The main goal of this interdisciplinary conference is to promote excellence in science and engineering as well as application of up-to-date research results and technological achievements. In addition, the conference gives the opportunity for meetings, exchange of ideas, opinions, experiences and cooperation between participants from different working surroundings.

We are looking forward to welcome you in Vukovar!

Professor Ante Jukić

Chairman of the Scientific and Organizing Committee
