

BIOGRAPHY

ŠIMO KORDIĆ

Šimo Kordić, PhD, currently serves as the Director of Research and Development at the Croatian pharmaceutical company BELUPO, where he oversees a team of 75 researchers. He earned his doctorate in pharmaceutical technology from the University of Zagreb Faculty of Chemical Engineering and Technology. With a career spanning 16 years at PLIVA, a subsidiary of the global pharmaceutical company TEVA, Dr. Kordić has garnered extensive experience across various roles. His expertise encompasses research and development of active substances, formulation development of various finished dosage forms, and global support within Teva MS&T (Manufacturing, Science, and Technology), aiding the worldwide network of Teva's manufacturing operations.
